

Maranatha Home Health, Inc.

We offer our client skilled nursing, therapy services, and personal care services. Whether you are living in the comforts of your home or a senior residence, our services can be customized to meet your individual needs. We offer 24-hour care and medicare home care services that are also available for those who are under a physician's care or when the client is homebound due to an illness or an injury that prevents them from leaving their residences without exerting considerable effort.

Mission Statement

We strive to provide the community with compassionate and high-quality home health care. It is our goal to guide and encourage each individual toward living a Christ-centered life with access to top-notch care and services. We want our patients and their families to feel that they are important, loved, and deserved to be taken cared of.
